

MANAGING LEFTOVER PAINT:

1. Buy only what you need & try to use it all!
2. Store leftover paint properly for touch-up and future projects. Tap lid down to secure tight seal. Turn can upside down for storage.
3. Donate leftover paint.
4. Dry leftover latex paint & discard it in the regular trash. Make sure there is no free flowing liquid.

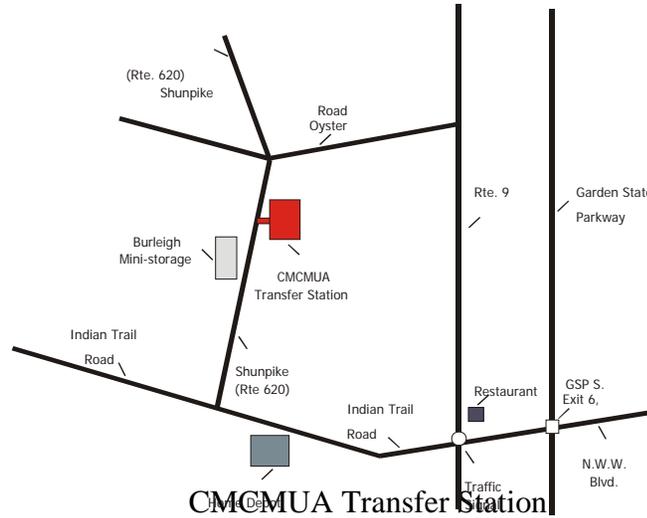

OR

5. Take the leftover paint, oil based and latex, to the CMCMUA Transfer Station. See inside panel for details and fees.
6. Paints are **NOT** accepted at CMCMUA Household Hazardous Waste Collection Days.

Guide to Recycling and Disposal of Leftover Paint

2015

Printed on recycled paper

Guidelines for Environmentally Friendly Disposal and Recycling of Leftover Paint

The Cape May County Municipal Utilities Authority's (CMCMUA) Paint Program was developed to make it easy and convenient for you to dispose of leftover paint.

You may bring your leftover paint to the CMCMUA Paint Disposal & Recycling Program. See details in this brochure. Other options are listed below:

For disposal purposes, paint is divided into two categories: **(1) Latex paints and water based finishes and (2) Oil based paints and finishes.** Check the label on the can to find out what type of paint you have and the recommended disposal options.

Latex paints and other water based finishes:

- Can be recycled/disposed through this program; or
- May be placed in the regular trash; however, **you must eliminate any free flowing liquid.** Air dry paint or add absorbent. Use kitty litter, old rags or purchase "paint dry" available at retail stores.

Oil base paints and finishes:

- Should be recycled through this program.
- Should **not** be placed in the regular trash.

Paints, both oil and water based, are not accepted at CMCMUA Household Hazardous Waste Collection Days.

Empty paint cans and paint cans that have a thin skin of dried paint (of any type) should be placed in the regular trash.

CMCMUA PAINT Disposal & Recycling Program

- WHO:** Paint is accepted from **Cape May County** residents, businesses, institutions, municipalities and non-profit agencies.
- WHERE:** The paint drop-off building is located at the CMCMUA's Transfer Station, Shunpike Road, Burleigh, in Middle Township.
- Note:** The Paint Program operates only at the Transfer Station, not at the Landfill.
- WHEN:** Paint is accepted during normal operating hours (see back panel for details).
- HOW:** Bring paint to the Transfer Station and stop at the weighmaster window. Deliveries must meet the following conditions:
- Paint must be in its original container.
 - Containers must be closed.
 - Customers must know how many cans they are delivering.
- FEE:** **\$1.25 / gallon can**
\$6.25 / 5 gallon bucket.
- Smaller cans and aerosol cans are free.
- Customers with more than 30 containers of any size must call the CMCMUA at (609) 465-9026 or e mail Lyn Crumbock at crumbockls@cmcmua.com for an appointment.**
