**LITERACY ACCESS FUND ANNOUNCES 2019 GRANT AWARD  
TO THE CAPE MAY COUNTY LIBRARY**

CHESTER, PA - Literacy Access Fund, a 501(c)(3), public charity, announces a grant award of \$10,000 to the Cape May County Library in Cape May Court House, Cape May County, New Jersey. Literacy Access Fund secures funding from corporate, foundation, and individual partners in order to provide financial support to underfunded public libraries through a competitive granting process. The goal of the organization is to help libraries provide equal access to quality resources for young learners, regardless of economic factors.

The award was made possible through partnership funding from Univest Bank and Trust Co., a subsidiary of Univest Financial Corporation, headquartered in Souderton, PA, and Republic Bank, based in Philadelphia, PA. The grant will help fund the acquisition of state-of-the-art technology for young children and other library resources.

"The Cape May County Library wants children throughout the county to have access to technology," according to Deb Poillon, Director of the Library. "This grant from Literacy Access Fund allows us to provide additional advanced early learning computer stations as well as robotics and other STEAM devices to our branches."

Deborah B. Sorgi, Ed.D., Chair, Director & President of Literacy Access Fund, shared her thoughts. "Literacy Access Fund is pleased to support the Cape May County Library's efforts to increase access to technology across the entire county. Targeting communities that are less affluent in Cape May County helps ensure that children can use the library as a community hub for education to enhance their early literacy skills." Dr. Sorgi also noted, "We continue to identify and support deserving public libraries to help their littlest members read and succeed in school and life."
